

Petroleum Equipment Distributors,

- The ICS MR1 pulser now fits Fillrite, Dresser Wayne, and GPI meter-registers!

ICS has now developed the new MR1 pulser. This pulser contains the same reliable microprocessor circuitry as the SP1 pulser, ensuring that the pulse output is accurate and error free. Please look at the following features:

- Fits ALL variations of the Fill Rite 800 or 900 register!
- Fits the Dresser Wayne model 700R meter-registers!
- Fits the new GPI model MR-5-30 Register!
- 10 pulses per gallon output, no configuration required.
- Digital pulse filtering eliminates overcounts.
- Simple bolt on installation.
- Intrinsically safe circuitry, no conduit required!
- Environmentally coated circuitry eliminates moisture problems.
- Heavily filtered power supply eliminates noise problems.
- Extended temperature operation. (-40 to 150 degrees F)
- 12VDC and 110VAC models available.
- Dual output model available.
- 2 year warranty
- List price \$149.95

At ICS, we take pride in quality products and personal customer service. If you have any questions about the MR1, or if you have a special application, please don't hesitate to give us a call.
